## MEMORANDUM FOR THE RECORD

FROM: [redacted] Program Manager,  
ASW Research Program

25X1

SUBJECT: Discussions With HPSCI Staffers on Nonacoustic  
Research Project [redacted]

25X1

1. On 8 January 1985, I accompanied members of the CIA Nonacoustic ASW Research Program to visit Messrs. Andrews and Fega of the HPSCI staff to discuss the status of CIA's Research Program. The other CIA members were [redacted] Head of the Phenomena Working Group; [redacted] Technical Advisor; [redacted] of the Office of Legislative Liaison, and [redacted] of the Comptroller's staff. The HPSCI staff members were provided with several copies of a briefing book on Soviet Nonacoustic ASW Research (attached). [redacted]
